The legal information and forms every California landlord needs Choosing tenants, raising the rent, returning deposits, and maintaining rental property—these are just a few of the things landlords do that are strictly regulated by California law. To avoid problems and hefty legal fees, property owners and managers need to know and comply with federal, state, and local rules, and use the proper legal forms. Fortunately, everything you need is in this book. Rent control and eviction protections are now a matter of state law, and even small municipalities are enacting their own ordinances that affect rent, terminations, and notices. This book contains a unique rent control chart that explains key provisions and gives information on how to learn more. No California landlord can afford to do business without checking for local ordinances and following them. With The California Landlord ' s Law Book: Rights & Responsibilities you ' ll learn how to: screen prospective tenants—without discriminating illegally prepare (and enforce) leases and rental agreements apply the state-wide rent control and eviction protection law if it applies to you collect and return security deposits raise the rent and change other terms of the tenancy hire, work with, and fire property managers keep up with repairs and maintenance restrict subletting and short-term rentals act promptly when rent is late, and terminate a tenancy. With Downloadable forms: Download and customize more than 40 essential legal forms, including a lease and rental agreement (in both English and Spanish), tailored to meet California law— details inside.

From the author of Whole Again comes a significantly expanded edition of Psychopath Free—containing new chapters, updated content, and real survivor experiences—that will help you recover from emotionally abusive relationships with narcissists, sociopaths, and other toxic people. Have you ever been in a relationship with a psychopath? Chances are, even if you did, you would never know it. Psychopaths are cunning charmers and master manipulators, to the point where you start to accept the most extreme behaviors as normal...Even if it hurts you. All around us, every single day, human beings devoid of empathy are wreaking havoc and destroying lives in the coldest, most heartless ways imaginable. In constant pursuit of money, sex, influence, or simple entertainment, psychopaths will do whatever it takes to gain power over others. They hide behind a veil of normalcy, arranging their friends and partners like pawns in a game of chess. Using false praise and flattery to get what they want, they can lure any unsuspecting target into a relationship. Once hooked, their charming promises spin into mind games and psychological torture. Victims are left devastated and confused, unable to recognize—or even put into words—the nightmare that just took place. Written from the heart, Psychopath Free is the first guide for survivors written by a survivor, offering hope for healing and thriving after psychopathic abuse. Say goodbye to the chaos, self-doubt, and victimization. You are free.

This highly acclaimed self-help book is the hybrid product of two authors. One is a lawyer, and one is not. This unique, synergistic combination resulted in an exceptional resource that contains essential information found nowhere else. Tailored for everyday Americans, the book is packed with unbiased data about the current state of the U.S. legal system: why it is the way it is, where it is headed, and, most importantly, how to beat it at its own game. This is the only legal self-help resource that:- reveals secretive rules, presents an atypical paradigm, and furnishes eye-opening information- contains the broad insight of experts internal and external to the U.S. legal system, giving you a complete 360 ° view of it- provides special tactics that are crucial for the average person to fight a battle and win a case in the corrupt legal systemCoauthors Sara Naheedy and Tom Scott have 35+ years of combined legal experience in a variety of situations in and out of court, which they share in a practical, easy-to-read format. Learn about the wildly corrupt legal system before it strikes. In all probability, the question is not if it will strike but when it will strike the average person with little political power or influence. This guide is ideal as a preventative aid for such people who would unwittingly fall victim to the legal system or, worst-case, indispensable as a remedial tool for someone who needs a clearer understanding of or assistance with a current legal quagmire. Be best prepared to fight a traffic ticket and other vehicular citations and to handle small claims, landlord-tenant issues, debt collection, criminal accusations, divorce, wills, probate, and much more.

ALERT: Before you purchase, check with your instructor or review your course syllabus to ensure that you select the correct ISBN. Several versions of Pearson's MyLab & Mastering products exist for each title, including customized versions for individual schools, and registrations are not transferable. In addition, you may need a CourseID, provided by your instructor, to register for and use Pearson's MyLab & Mastering products. Packages Access codes for Pearson's MyLab & Mastering products may not be included when purchasing or renting from companies other than Pearson; check with the seller before completing your purchase. Used or rental books If you rent or purchase a used book with an access code, the access code may have been redeemed previously and you may have to purchase a new access code. Access codes Access codes that are purchased from sellers other than Pearson carry a higher risk of being either the wrong ISBN or a previously redeemed code. Check with the seller prior to purchase. -- Michael Sullivan's Statistics: Informed Decisions Using Data, Fourth Edition, connects statistical concepts to students' lives, helping them to think critically, become informed consumers, and make better decisions. Throughout the book, "Putting It Together" features help students visualize the relationships among various statistical concepts. This feature extends to the exercises, providing a consistent vision of the bigger picture of statistics. This book follows the Guidelines for Assessment and Instruction in Statistics Education (GAISE), as recommended by the American Statistical Association, and emphasizes statistical literacy, use of real data and technology, conceptual understanding, and active learning.
