I installed a paradox evo 192, 2 lcd keypads, 3 zone extenders with lots of sensors and smoke detectors in our place and have been really happy with the alarm. I also installed a ip150 module (don't get the ip100, it's older and doesn't support ssl connections for email) and a rtx3 wireless module (only for remotes, all sensors are hard wired, the way they should be).
