Discover what a teacher, a doctor, a firefighter and a vet do and how they help the community. Each story focuses on a different character as they go about their daily work. But each day holds a new challenge for these busy people! Next Steps are included at the back of the book to prompt further discussion and develop vocabulary as well as information about the characters who work alongside the protagonists, for example a nurse from the doctor's surgery and the commander at the fire station.

Step inside the lives of Busy People. Each story focuses on a different character as they go about their daily work. Each day holds a new challenge ... In this story, Rita the librarian has to organise the library's birthday party, as well as finding the perfect story for each child to enjoy reading. Next Steps are included at the back of the book to prompt further discussion and develop vocabulary. More information is provided about the Busy People and the type of equipment they need as well as the characters that work alongside them.

For the child who says, "I want to be a doctor when I grow up!" And for any child who wants a gentle behind-the-scenes look at being a doctor. Doctors help sick and hurt people feel better. When little brother Jack hurts his foot, the family gets to meet all kinds of doctors. With this story blending narrative with nonfiction elements, readers meet the doctors who heal broken bones, help fix teeth, and even work in laboratories! I Want to Be a Doctor is part of a new I Can Read series that introduces young readers to important community helpers. This Level One I Can Read is perfect for children learning to sound out words and sentences. Whether shared at home or in a classroom, the short sentences, familiar words, and simple concepts of Level One books support success for children eager to start reading on their own. For anyone looking for books about community helpers for kids, the I Can Read My Community books are a great choice. The books are bright and upbeat and feature characters who are diverse in terms of race, age, and body type. Kids ages 3-6 will enjoy finding out more about the people and jobs who do so much to help all of our communities.

What's it like being a vet? Let's find out! Step inside the life of Mike the vet and discover the challenges he faces in his very busy job. Investment Strategies So Easy, a Doctor Could Do It As a busy physician, you spend your days weighing risks against benefits before prescribing tests or treatment plans for your patients. Why not round on and control your own portfolio with the same methodical process in just a few minutes a month? The Busy Doctor ' s Guide to Investing presents practical ways to optimize your portfolio ' s health and put you in charge of your financial future requiring little more than minutes each month, without expensive money managers. Author David Yeh has spent 20 years researching, back testing, and refining straightforward investment systems that have allowed him to semi-retire at 45 years of age. David combines the tools of traditional money managers, the risk mitigation techniques of active market traders, and the pattern recognition and quantitative analytic skills of a diagnostic physician to systematically reduce portfolio risk and thus improve your portfolio ' s performance. Let David teach you to the simple fundamentals to nurture and grow your assets outside of your practice the same techniques he uses to invest in his own account and the accounts of his clients.

A NEW YORK TIMES BESTSELLER A New York Times Notable Book “ Riveting, heartbreaking, sometimes difficult, always inspiring. ” —The New York Times Book Review “ An incredibly moving memoir about what it means to be a doctor. ” —Ellen Pompeo As seen/heard on Fresh Air, The Daily Show with Trevor Noah, NBC Nightly News, MSNBC, Weekend Edition, and more An emergency room physician explores how a life of service to others taught her how to heal herself. Michele Harper is a female, African American emergency room physician in a profession that is overwhelmingly male and white. Brought up in Washington, D.C., in a complicated family, she went to Harvard, where she met her husband. They stayed together through medical school until two months before she was scheduled to join the staff of a hospital in central Philadelphia, when he told her he couldn ' t move with her. Her marriage at an end, Harper began her new life in a new city, in a new job, as a newly single woman. In the ensuing years, as Harper learned to become an effective ER physician, bringing insight and empathy to every patient encounter, she came to understand that each of us is broken—physically, emotionally, psychically. How we recognize those breaks, how we try to mend them, and where we go from there are all crucial parts of the healing process. The Beauty in Breaking is the poignant true story of Harper ' s journey toward self-healing. Each of the patients Harper writes about taught her something important about recuperation and recovery. How to let go of fear even when the future is murky: How to tell the truth when it ' s simpler to overlook it. How to understand that compassion isn ' t the same as justice. As she shines a light on the systemic disenfranchisement of the patients she treats as they struggle to maintain their health and dignity, Harper comes to understand the importance of allowing ourselves to make peace with the past as we draw support from the present. In this hopeful, moving, and beautiful book, she passes along the precious, necessary lessons that she has learned as a daughter, a woman, and a physician.

What You Don't Know About Real Estate Investing Could cause you to miss the greatest opportunity you'll ever have for growing passive income. As a busy professional, you can still have time to buy and manage a real estate investment—if you know how. It's no different from managing any other business: choose what you can do and hire someone to do the rest. With this book, you'll learn how to oversee a property management company and how to manage dozens of units yourself in less than 15 hours a month. In the fourth book of The Doctors Guide series, Dr. Cory S. Fawcett shows you how he managed five apartment complexes as a full-time surgeon-and what he learned along the way: -How to evaluate the profit potential of a real estate investment -How to create passive income without the restrictive IRS spending rules of a 401(k) -How the depreciation boosts your rental income "This is the book I wish I had before I started investing in rental properties. Everything a new investor needs to know is in this book." --Dan Lane, Rental Income Podcast "A book written with surgical precision on how to succeed in residential real estate investing." --J. Brant Darby, DDS Dr. Cory S. Fawcett is a consultant, speaker, award-winning author, entrepreneur, and repurposed general surgeon. He has been involved in more than two dozen business and real estate ventures. His passion for teaching personal finance and helping doctors lead happy and debt-free lives spans his entire career. His mission is to eliminate burnout, debt, and bankruptcy among physicians, dentists, and others in the healthcare industry through keynote speaking, writing, and one-on-one coaching.

Audisee® eBooks with Audio combine professional narration and text highlighting for an engaging read aloud experience! Let's Meet a Police Officer! Do you want to learn more about police cars? Police dogs? Other tools the police use? Then it's your lucky day! Officer Gabby is a police officer. She knows how to keep people safe. She shows a group of kids how she does her job. Three cheers for police officers! "Cartoon-style animated drawings in bright colors introduce diverse characters who will capture children's interest." —School Library Journal "In each book introducing a community-benefiting career, schoolchildren meet one adult to learn about his or her job; information includes the training required to become a firefighter, doctor, etc., daily routines, and primary responsibilities. The content is inclusive and up-to-date but delivered through vivid stories. Peppy computer-generated cartoons are amateur." - The Horn Book Guide Free downloadable series teaching guide available.
