Networking. This is the home page for CS144 in Spring 2008. All handouts are on the Syllabus page. Course Textbook: Computer Networks: A Top-Down Approach by Kurose and Ross (4th Edition) Final Exam: 12:15-3:15 pm on Friday, June 6, 2008 in 200-034. Late policy:

## *CS144: Introduction to Computer Networking*

Below you'll find the Powerpoint slides that accompany the 8th edition of our textbook. There are more than 800 slides, covering each chapter and subsection of the book. These slides were extensively updated in the Spring of 2020 with content updates to match them with the 8th edition, with many more animations throughout, a common "look and feel" throughout, and a 16:9 aspect ratio for modern ...

*Computer Networking: a Top Down  
Approach*

Unique among computer networking texts, the Seventh Edition of the popular Computer Networking: A Top Down Approach builds on the author's long tradition of teaching this complex subject through a layered approach in a "top-down manner." The text works its way from the application layer down toward the physical layer, motivating readers by exposing them to important concepts early in ...
