Due to the 2008-2009 crisis, the United Nations 2030 agenda for sustainable development, and the COVID-19 pandemic, the role of entrepreneurship has become more critical in most economies. Moreover, emerging protectionist policies are further encouraging the emergence of new entrepreneurial projects, particularly to replace goods and services traditionally provided by other countries. Understanding current challenges and best practices in nascent entrepreneurship is integral for the successful launching of new ventures to support the revitalization of economies and achieve sustainability. The Handbook of Research on Nascent Entrepreneurship and Creating New Ventures is a crucial reference source that covers the latest empirical research findings in the field of entrepreneurship and addresses the obstacles entrepreneurs face in these recent challenging times. The book embraces a pluralistic perspective from academicians currently navigating nascent entrepreneurship and key concepts for launching successful new ventures. Covering topics that include government support programs, spin-off companies, leadership, strategic entrepreneurship, and crowdfunding, this book is targeted towards entrepreneurs, professionals, academicians, researchers, and students.

Make a lasting impact by launching new initiatives, inspiring others, and championing innovative approaches with this from-the-trenches guide by trusted executive mentor, entrepreneur, and leadership expert Joel Peterson. Many leaders see their roles as presidors/managers, with a primary focus on keeping results consistent with past performance and on budget. These kinds of leaders make important contributions but rarely leave a mark on the businesses they serve. For those wanting to make a lasting impact, new skills are required. They need to learn to launch new initiatives, inspire others, and champion innovative approaches. Joel Peterson calls these higher-level leaders " entrepreneurial leaders, " and they create durable enterprises that deliver on their promise. After three careers, four decades of marriage and seven kids, and demanding roles as CFO, CEO, chairman, lead director, adjunct professor, founder, author, entrepreneur and investor, Joel Peterson is often sought as a mentor and coach by leaders and aspiring leaders. He has worked with all types of leaders and considers the entrepreneurial leader to be the highest level of influence. Peterson lays out a path to achieving this summit, with a series of leadership maps organized around the four essential basecamps on the path to Entrepreneurial Leadership: Establishing Trust Creating a Sense of Mission Building a Cohesive Team Executing and Delivering Results These core philosophies, while easy to summarize, can be extremely difficult to implement. As Peterson says: " This book of maps and mindsets is aimed at those who hope to lead others, help them achieve their best, break new barriers, change the status quo, create a legacy, develop a brand, and enjoy a life-altering experience. " Let Entrepreneurial Leadership guide you on your journey.
