Enjoy books 4-6 of The Dragon Ruby Series – Book 4 Cassandra's Wolf – She dragged him because she had to. He won't soon forgive that. Cassandra serves in the Dragon Guard and is the only one who knows how to mask her scent. That makes her deadly and dangerous. When the exiled Dragon Prince, Dmitri, starts sniffing around Damien,a known wolf shifter, she knows something is amiss. She intends to know what that is. So, she seduces Damien, and drags him to search his bar for the evidence she needs. Only to discover there is none. Damien knows she'll be back. She was obviously looking for something. So, he sets a trap. He's only too happy when she falls into it. He gives her an ultimatum: spend two days and nights with him, or he turns her in to every authority he can and post her pictures all over the internet. She has two days to find out what the Prince is trying to gain with Damien. She has to hurry. She has a job to do and Damien is proving himself to be a distraction she just can't afford –Book 5 Warwick's Hope – Only his mate-bond with Hope will get him out of this torment. Warrick has been imprisoned for forty years, tortured, not allowed to let his wolf out. He's been left to rot while his twin runs with his pack. The only thing that gets him through his imprisonment is the knowledge that Hope, his mate, is safe. Hope thought he'd betrayed her and their pack and she had lived in hiding ever since. So, she's surprised to find him broken, beaten, and barely alive when she and Damien attempt to reclaim their pack. Warrick didn't betray her. Renewed life floods through her mate bond, but with it, grief and guilt. If only she'd been more in tune with her bond. She might have been able to find him sooner.That has to wait, though. Gabriel, the man who took him and broke the man she loved, is still out there. And he wants to bring them both down. For good this time. ~ Book 6 Ally's Guard ~ The only thing harder than watching over Ally was trying to keep his hands off her. Ally knew Jared thought she was a spoiled brat. At an early age Ally learned men's affection were fickle. But once her sister found true love Ally realized what she had really wanted was someone to love her. As a Dragon Royal Guard one of Jared's responsibilities was watching over the Royal Family. When he was informed he would have to watch over the spoiled Princess while she went on a date with a alpha wolf shifter Jared could easily think of a thousand ways his time would be better spent. Will Jared be able to keep his hands off her, or will the attraction between the two cause problems no one saw coming.

' This volume supplements Tang Tales, A Guided Reader (Volume 1; 2010) and presents twelve more Tang tales, going beyond the standard corpus of these narratives to include six stories translated into English for the first time. The rich annotation and translator's notes for these twelve tales provide insights into many aspects of Tang material culture and medieval thought, including Buddhism and Daoism. In addition to meticulously annotated translations, the book offers original texts (with some textual notes), and commentaries in the form of translator's notes, thereby joining the first volume of Tang tales as the only collections that introduce students to Tang tales while also challenging specialists interested in the field. #18 in the popular and exciting science fiction Liaden Universe! Clan Korval rebuilds its fortunes on the gritty, semi-anarchic planet of Surebleak. Over a quarter million Liaden Universe books are in print with an audience that keeps growing! Star-trading Clan Korval&known to Terrans as the Tree-and-Dragon Family and to the locals simply as "the Dragon"&has been convicted of crimes against the homeworld. No matter that one of the "crimes" consisted of saving the elitist planet of Liad from very real internal threats, the Council of Clans wanted Korval heads to roll. Unfortunately for the Council, the Dragon's allies conspired to impose a milder punishment for saving the warbushiness, rather than execution. Now relocated to the free-for-all world of Surebleak, the Dragon is under contract to keep the Port Road open to all traffic, and to back the New Bosses in imposing law and order on a society originally based on larceny and assassination. This modest rustication is going surprisingly well, until Korval discovers that the enemy they'd sought to destroy... wasn't quite destroyed, and is more determined than ever to eradicate Korval. While the banishment killed no one initially, many of Korval's trading allies are spooked, and some are reneging on ancient agreements, leaving the Dragon to make it's own way. The clans efforts to stealthily recruit new allies is going haywire, and a secret death toll is rising even as the clans' adherents endure increasing exposure to danger and deceit off-world. To make matters worse, an active portion of Surebleak's native population liked the Old Ways just fine, and are conspiring to take the New Bosses&and the Dragon&down, and are sure they have the firepower and people to do it. The exiled Dragon has to make an urgent choice&accept an alliance with criminals or face down each and every enemy in person, one by one. 2019 Amazon.com Best Books of the Year 2019 Kirkus Reviews Best Books of the Year First in the Dragons of Terra series, Brian Naslund's Blood of an Exile is a fast-paced adventure perfect for comic readers and fans of heroic fantasy Bershad stands apart from the world, the most legendary dragonslayer in history, both revered and reviled. Once, he was Lord Silas Bershad, but after a disastrous failure on the battlefield he was stripped of his titles and sentenced to one violent, perilous hunt after another. Now he lives only to stalk dragons, slaughter them, collect their precious oil, and head back into the treacherous wilds once more. For years, death was his only chance to escape. But that is about to change. The king who sentenced Bershad to his fate has just given him an unprecedented chance at redemption. Kill a foreign emperor and walk free forever. The journey will take him across dragon-infested mountains, through a seedy criminal underworld, and into a forbidden city guarded by deadly technology. But the links of fate bind us all. Ursula K. Le Guin was one of the greatest science fiction writers and many times the winner of the Hugo and Nebula Awards. Her career as a novelist was launched by the three novels contained in Worlds of Exile and Illusion. These novels, Rocannon's world, Planet of Exile, and City of Illusions, are set in the same universe as Le Guin's groundbreaking classic, The Left Hand of Darkness. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

This second volume of the acclaimed Cambridge Biography of D. H. Lawrence covers the years 1912–22, the period in which Lawrence forged his reputation as one of the greatest and most controversial writers of the twentieth century. During this period Lawrence produced the trio of novels with which he was to revolutionise English fiction over the next decade. It was a painful process: Sons and Lovers was crudely cut by its publisher; The Rainbow was destroyed by court order; and Women in Love took almost three years to find a publisher. This 1996 biography tells the writing life too, tracing the illuminating relations between man and manuscript, without confusing life and art. Drawing on previously unseen information from the Cambridge Editions of the Letters and Works, and the original research, fresh light is shed on questions of Lawrence's sexuality, health, quarrels and friendships, which have been more often gossiped or theorised about than scrupulously examined.

At last -- the untold chapter in the history of Star Trek's most notorious villain, KHAN, searing and powerful, To Reign in Hell masterfully bridges the time period between Khan Noonien Singh's twenty-third-century revival in the Original Series classic episode "Space Seed" and his unforgettable return in the acclaimed feature film Star Trek II: The Wrath of Khan. What truly transpired during Khan's long years of exile on the forbidding world of Ceti Alpha V, before the tyrant escaped to embark on a murderous campaign of vengeance against Admiral James T. Kirk? What horrific trials spawned Khan's insane lust for revenge? Haunted by the memory of Khan's bitter accusations, Kirk now revisits Ceti Alpha V to discover for himself what ultimately drove Khan to madness. There, buried beneath the desolate surface of a dying planet, Kirk and his allies find the untold story of their greatest foe -- and of the woman who loved him: Lieutenant Marla McIvers of Starfleet. Along with Khan's genetically engineered followers from the twentieth century, Khan and Marla are left on Ceti Alpha V with the hopes of building a new life together. Although the planet is savage and untamed, full of deadly predators and unexpected hazards, Khan dreams of carving out an empire even greater than the one he once ruled on Earth. But when catastrophe strikes, laying waste to the entire world, Khan and the others find themselves trapped in a desperate struggle for survival. Now Khan must use every ounce of his superhuman strength and intellect to wage a fearsome battle against the planet, his people...and the growing darkness in his own soul.
