Fender The Inside Story Book – PDF Download

The author, Forrest White, traces Fender's career from his early years running a radio repair shop, through his initial struggles to launch his guitar and amplifier business, the later years of dramatic growth and success, the CBS takeover, and Leo Fender's subsequent launch of both Music Man and G&L. Leo Fender is revealed as a risktaker, a tireless innovator, and someone whose products were vastly improved by the fact he listened intently to his musician customers for new ideas.

White remained with the company until December 1966. He was also a partner with Fender in the Music Man company after both men left Fender. Later in 1994, White wrote and published a book called "Fender: The Inside Story" (ISBN 0879303093, Pub Group West) on the relationship he had with Leo Fender. References
