Can love flourish amongst the tree tops?

Includes a reader's guide and an author's note.

The tropical botanist shares the story of her adventures doing pioneering ecological research in forest canopies of Australia, Africa, Belize, and the United States.

Swaying in the Treetops is an endearing narrative following Scott and Katherine Rosenow and their experiences in adopting eighteen children combined with four biological children. From their marriage, experiences with Christian faith, traumas and children with special needs, Katherine and Scott Rosenow share their personal journey, spiritual development and experiences with emotional intelligence. Their narrative shares views on touchy subjects related to childbirth and family any reader would value. Their narrative voices are wise, keeping God in the center of their lives, giving you comforting scriptures and inspiring values to overcome turmoil and strengthen your faith and prayer.

Each story in Love Among the Haystacks appears in a new, authoritative text.

If I could keep you little, I'd keep you close to me. But then I'd miss you growing into who you're meant to be! If I Could Keep You Little speaks straight to every parent's heart, exploring the powerful feeling of wanting your child to grow up while savoring every moment. Sure to become a new favorite, this book showcases author/illustrator Marianne Richmond's ability to beautifully illustrate the complex emotions we all have.

" Jonah Lehrer has a lot to offer the world....The book is interesting on nearly every page....Good writers make writing look easy, but what people like Lehrer do is not easy at all." —David Brooks, The New York Times Book Review Science writer Jonah Lehrer explores the mysterious subject of love. Weaving together scientific studies from clinical psychologists, longitudinal studies of health and happiness, historical accounts and literary depictions, child-rearing manuals, and the language of online dating sites, Jonah Lehrer ' s A Book About Love plumbs the most mysterious, most formative, most important impulse governing our lives. Love confuses and compels us—and it can destroy and define us. It has inspired our greatest poetry, defined our societies and our beliefs, and governs our biology. From the way infants attach to their parents, to the way we fall in love with another person, to the way some find a love for God or their pets, to the way we remember and mourn love after it ends, this book focuses on research that attempts, even in glancing ways, to deal with the long-term and the everyday. The most dangerous myth of love is that it ' s easy, that we fall into the feeling and then the feeling takes care of itself. While we can easily measure the dopamine that causes the initial feelings of " falling " in love, the partnerships and devotions that last decades or longer remain a mystery. This book is about that mystery. Love, Lehrer argues, is not built solely on overwhelming passion, but, fascinatingly, on a set of skills to be cultivated over a lifetime.

In this compelling companion volume to her acclaimed memoir Home Before Dark, Susan Cheever once again gives readers a revealing look into her famous family, whose secrets and eccentricities parallel their genius and successes. Set against the backdrop of Treetops, the New Hampshire family retreat where the Cheevers still summer, and going back several generations, this powerful remembrance focuses on Susan Cheever's mother's family, and includes portraits of her great-grandfather, Thomas Watson, who invented the telephone with Alexander Graham Bell, and her grandfather Milton Winternitz, a brilliant doctor who built Yale Medical School. And of course there is her beloved and talented father John Cheever, the accomplished author who became one of the most well-known writers of the century, often using his family as material. Perhaps most riveting about Susan Cheever's second biographical masterpiece is its exploration of the lives of the Cheever women. At once a unique family portrait and the tale of every family, Treetops draws us effortlessly into a fascinating yet endearingly familiar world.

Do not sell the angel with the smeared lips. Granny Flo instructs her friend Rose, as she leaves to buy supplies to make more of the dolls that hung on the tree growing right through the middle of her house in Crystal Springs, Arkansas. Even though its lips are smeared, Granny knows there is something special about this dollsomething in the way her eyes sparkle. But within an hour, the doll is in Tina Dotts car on the way to New York, along with all of Granys other dolls. Feeling guilty, Tina gives the angel to Lisa, a neighbor girl in a cast, but finds she immediately regrets it. Meanwhile, Lisa develops a special bond with the doll and, finding Granny Fios name on the dolls tag, writes her a letter asking for advice on how to correct the smeared lips. Through their letters, the two become friends. When the doll goes missing, Lisa believes Tina Dott has taken the doll for herself. As she looks for the doll, it becomes clear that the doll seems to change those who come in contact with it for the better. What could make the doll so magical?

It's Christmas Eve and a perfect snow day, or so it seems. Sledding, building snowmen, making snow angels and having snowball fights. But wait! What is this? Why is Rupert racing back up the hill? Join him and his mummy as they are forced to embark on a Snowy Adventure Rescue...
