Don't hate me because I'm beautiful... Call me V. I used to be a nobody, just a girl from New Jersey who was probably going to hell anyway -- or worse, mediocrity and a size 14. Now I get whatever I desire just by casting a little spell....a flawless body, a luxury penthouse, and a Fifth Avenue shop where rich women clamor for my overpriced handbags. Even better, I have power. I can taunt my ex-husband, break hearts without guilt, and love every minute of it. My secret? I lost the one thing I never needed in the first place: my soul. I sold it. And you'll never guess who's got it now. She's a devil in disguise. You know her as the dishiest gossip columnist in the city's trashiest tabloid. I call her Lucy. And our deal is this: the more clients I recruit for her Life Enrichment Program, the greater my rewards. But just between us, my fast track to heartless apathy has hit a few speed bumps -- lately, I've had the totally annoying impulse to do things that are...good. First there was rescuing a kid in the park. Then there was the date with the handsome, decent guy who wasn't even a celebrity. What's next, giving to charity or something? All I know is Lucy doesn't like it, not one little bit. And when she finds out, there will be hell to pay...

Her name's Antonia "Toni" Bennette (yeah, she's heard all the jokes before) and she's not a rock star. Neither are the Lillys-not yet. But the difference between being famous and being almost famous can be a single wrong note...or the start of something that'll change your life forever. Growing up in dive bars up and down the East Coast, Toni Bennette's guitar was her only companion...until she met Sebastian Quick. Seb was a little older, a lot wiser, and before long he was Toni's way out, promising they'd escape their stifling small town together. Then Seb turned eighteen and split without looking back. Now, Toni's all grown up and making a name for herself in Philadelphia's indie scene. When a friend suggests she try out for a hot new up-and-coming band, Toni decides to take a chance. Strong, feminist, and fierce as fire, Toni B. and the Lillys are the perfect match...except Seb's now moonlighting as their manager. Whatever. Toni can handle it. No problem. Or it wouldn't be if Seb didn't still hold a piece of her heart...not to mention the key to her future.

The glossary grew out of the need to have a standardized system for the cataloguing of glass artifacts from sites excavated by Parks Canada. It presents information on the general aspects of glass artifacts, such as their colour, condition, and manufacturing techniques. It provides guidance on terminology, measurements to take, and attributes to describe.

The New York Times and USA Today bestseller! "...a hauntingly atmospheric love letter to the first mobile library in Kentucky and the fierce, brave packhorse librarians who wove their way from shack to shack dispensing literacy, hope, and - just as importantly - a compassionate human connection."-Sara Gruen, author of Water for Elephants The hardscrabble folks of Troublesome Creek have to scrap for everything-everything except books, that is. Thanks to Roosevelt's Kentucky Pack Horse Library Project, Troublesome's got its very own traveling librarian, Cussy Mary Carter. Cussy's not only a book woman, however, she's also the last of her kind, her skin a shade of blue unlike most anyone else. Not everyone is keen on Cussy's family or the Library Project, and a Blue is often blamed for any whiff of trouble. If Cussy wants to bring the joy of books to the hill folks, she's going to have to confront prejudice as old as the Appalachias and suspicion as deep as the holler. Inspired by the true blue-skinned people of Kentucky and the brave and dedicated Kentucky Pack Horse library service of the 1930s, The Book Woman of Troublesome Creek is a story of raw courage, fierce strength, and one woman's belief that books can carry us anywhere-even back home. Additional Praise for The Book Woman of Troublesome Creek: "A unique story about Appalachia and the healing power of the written word."-Kirkus "A timeless and significant tale about poverty, intolerance and how books can bring hope and light to even the darkest pocket of history."-Karen Abbott, New York Times bestselling author of Liar Temptress Soldier Spy "Emotionally resonant and unforgettable, The Book Woman of Troublesome Creek is a lush love letter to the redemptive power of books."-Joshilyn Jackson, New York Times and USA Today bestselling author of The Almost Sisters
