I'm not usually a fan of fairy tale remakes or retellings, but G. Bailey did an amazing job of incorporating aspects of Little Red Riding Hood in to Run Little Wolf. Harper has grown up in foster care and only has one true friend, Colton. On the night of her 18th birthday, she decides to go to a bonfire in the forest with all of her classmates.

A deep, long growl comes from behind me and I turn, my eyes widening at the sight of a big black wolf

crouched down not far away from me. The wolf growls again and then turns, running into the forest. "Wait!" I shout before I even think about what I just said. The wolf stops, looking over its shoulder at me as I step forward.

Ever heard the saying, never follow the big bad wolf into the woods? Well, I wish I had listened to Little Red Riding Hoods advice. One bite. That's all it took to turn Harper into a wolf and change her entire life. Turning eighteen was meant to be a fun night out, a party in the woods to celebrate with friends, but it ends in disaster. Harper wakes up in a car, on her way to a pack of wolves; ones she must live with. The sexy and alluring alpha welcomes her, declaring her his mate. Only Harper's best friend, a vampire she grew up with, tells her she belongs with him. Now, Harper must keep her mates from destroying each other. Can there be a happy ending for them all? To make matters worse, the wolves are at war with other kinds of shifters. When one of them turns up, demanding she is their mate, will her alpha, who she rejected, fight for her? Will the vampire, who loves her, help her pack? 18+ menage romance.

Ever heard the saying "Never follow the big bad wolf into the woods"? Well, I wish I had listened to Little Red Riding Hood's advice. One bite. Everyone knows the story of the three little pigs but few know the complementary story of how three friendly little wolves were persecuted by the Big Bad Boar. A few stories have attempted to right this egregious wrong but none have told the all encompassing story of how these clever little wolves performed miraculous feats of daring-do while being hounded by the Big Bad Boar. So, if you've ever wondered: Where did the Unicorn come from? How did Prince Charming really get past those roses to kiss Sleeping Beauty? What are the ingredients to make Seven League Boots? And How do you break witches' spells? Then find the answers while you read how Three Little Wolves undid witches' spells, used enchanted robins to make magic boots, outsmarted a selfish king and saved his castle from the big bad boar.

In the fairytale, Goldilocks stole from the bears and got away...but stealing from bear shifters won't be that easy. When hunting a rogue wolf goes wrong, Gold finds herself saddled with a new mate that she can't bring herself to turn in. There is only one place she can think to hide her rogue. With the bears...and the triplet brothers she has been running from. Her other mates. When a teenage shifter goes missing, someone starts blackmailing Gold, sending her notes and making demands. Can she ignore them, risking her mates' lives, or steal something sacred from her mates and risk their relationship? She must decide before it's too late for her fairytale ending...18+ Reverse Harem.

From the villainous beast of “Little Red Riding Hood” and “The Three Little Pigs,” to the nurturing wolves of Romulus and Remus and Rudyard Kipling’s *The Jungle Book*, the wolf has long been a part of the landscape of children’s literature. Meanwhile, since the 1960s and the popularization of scientific research on these animals, children’s books have begun to feature more nuanced views. In *Picturing the Wolf in Children’s Literature*, Mitts-Smith analyzes visual images of the wolf in children’s books published in Western Europe and North America from 1500 to the present. In particular, she considers how wolves are depicted in and across particular works, the values and attitudes that inform these depictions, and how the concept of the wolf has changed over time. What she discovers is that illustrations and photos in works for children impart social, cultural, and scientific information not only about wolves, but also about humans and human behavior. First encountered in childhood, picture books act as a training ground where the young learn both how to decode the “symbolic” wolf across various contexts and how to make sense of “real” wolves. Mitts-Smith studies sources including myths, legends, fables, folk and fairy tales, fractured tales, fictional stories, and nonfiction, highlighting those instances in which images play a major role, including illustrated anthologies, chapbooks, picture books, and informational books. This book will be of interest to children’s literature scholars, as well as those interested in the figure of the wolf and how it has been informed over time.

When Little Red sets out to bring a cake to Grandmother's house, she promises the mirror on her wall that she won't talk to strangers. But as the shadows of the forest press around her, she finds that keeping that promise is hard to do. After all, safety is found in numbers, isn't it? That depends on what happens when Little Red meets the biggest shadow of all.

Bilingual children's book (age 2 and up) Tim can't fall asleep. His little wolf is missing! Perhaps he forgot him outside? Tim heads out all alone into the night - and unexpectedly encounters some friends... "Sleep Tight, Little Wolf" is a heart-warming bedtime story. It has been translated into more than 50 languages and is available as a bilingual edition in all conceivable combinations of languages.
