Back to Soccer. The Basics
In some ways soccer is a fairly simple or pure game. The primary rule is that players cannot touch the ball with their hands or arms while the ball is in play. The exception to this rule is the goalie. The goalie is a designated player whose main job is to protect the goal from the opponents.

Soccer: How to play Basics
Ducksters

One key element to defense in soccer is the tackle. This is where you take the ball directly away from the dribbler. It is important that you pick the right time to tackle. If you miss the ball, the opponent may be past you and on their way to shooting a goal.
