"Swimming Studies" is a brilliantly original, meditative memoir that explores the worlds of competitive and recreational swimming. From her training for the Olympic trials as a teenager to enjoying pools and beaches around the world as an adult, Leanne Shapton offers a fascinating glimpse into the private, often solitary, realm of swimming.

Swimming Studies by Leanne Shapton - Goodreads
Swimming Studies is a meditative work that explores what it is like to move from a world of competition and discipline to one of recreation and introspection. Giving a fascinating glimpse into the private realms of swimming, and drawing, Shapton tells an intimate story of suburban adolescence, family ties, and the solitary underwater moments that now ground her artistic habits.

Swimming Studies — Leanne Shapton
Swimming Studies is a collection of autobiographical sketches that explore the worlds of competitive and recreational swimming. From her training for the Olympic trials as a teenager, to meditative swims in pools and oceans as an adult, Leanne Shapton contemplates the sport that has shaped her life.
